Dear Parents / Guardians

GL Assessments Years 7, 8 and 9

Over the coming weeks we will be introducing the nationally recognised GL Assessment tool for students in years 7, 8 and 9.

This is a new initiative, whereby this diagnostic tool will enable us to ensure that we are meeting the literacy needs of all our learners. There is no requirement for any revision for these assessments and they will take place during your child's IT lesson. The results of the test will be used internally by the school and will not be published.

As ever I would like to thank you for your support.

Yours sincerely,

Martin Bonner
