17<sup>th</sup> January 2020

Dear Parents/Carers,

I hope you had a good Christmas and start to the New Year. As we have now settled into the start of the term, I would like to make you aware that as of Monday we will now be sending push notifications through MCAS to alert you if your child arrives significantly late to their lessons.

Our aim is to help instil a sense of responsibility in our students regarding punctuality. With this in mind we hope that, with these notifications, you will assist us in discussing these and encourage your child to take responsibility for their punctuality. As I'm sure you'll agree, the ability to manage our time effectively and get to where we need to be promptly is an important life skill and one that we can work together on developing in our children.

If you have not yet downloaded or registered for MCAS, please contact the office for details on how to do this.

We look forward to your support with this going forward.

With best wishes,

Martin Bonner  
Head Teacher
