Friday, 17<sup>th</sup> July 2020

Dear Parent/Carer,

As we break up for the summer I must take this opportunity to thank everyone in our community. These have been challenging times but I feel we have stuck together and managed to get through to the end of term with our unity and togetherness still intact. I am hugely thankful to the teachers and all school staff for the tremendous work they have done in organizing the remote learning and delivering face-to-face lessons. I am equally thankful to our wonderful students for trying so hard and working with their teachers so conscientiously. And of course, I am grateful to you, our parents and carers for your support, feedback and kindness.

The school will be having some important work carried out over the summer with essential server and network upgrades on the IT systems. This will mean that we will not be able to communicate via e-mail or other remote methods for the first 3 weeks of the break.

As we begin the summer holidays please do not worry if your son/daughter has incomplete work that has been set on Firefly. The staff and I are committed to making sure that all of our students are supported in the new school year to get back to where they need to be; and no child should feel anxious if they have not completed all of their remote learning – it will all be fine, we will sort it out in September.

From all of us here at St Thomas More School, please enjoy a restful and happy summer.

Take care, stay safe, God bless,

Yours faithfully,

**Martin Bonner**
