Dear Parent / Guardian,

I hope you are all well and staying safe. First and foremost I would like to share with you how incredibly proud I am of our students. The level of maturity they have shown since we welcomed them back from the start of the week has been extremely impressive and they have been a credit to you and to the school.

It is been wonderful to hear the voices of our students within the school again, after so many months away. They have quickly adapted and followed the social distancing measures in place and the one way systems around the buildings and the grounds.

I would also like to take this opportunity to thank all of the parents/guardians who have expressed their support for the school and the systems that we have in place.

A reminder that the year group colour ribbon that has been sent home during the course of the week to be attached for their blazers needs to be attached by Monday, 14 September 2020. This to help us to ensure that we are keeping students from different year groups apart during the lesson change overs and their staggered break and lunch times.

Thank you for your continued support.

Yours faithfully,

Martin Bonner
