Non-Uniform Day Expectations: While non-uniform days allow students the freedom to wear their own clothes, we maintain certain standards to ensure safety and decency:

- Open-toed footwear is prohibited.
- Clothing considered too revealing, such as vest tops or tops that expose the midriff, is not allowed.
- Shorts must be of a reasonable length and should not have cut-out holes that expose excessive skin.

The school reserves the right to determine what is deemed acceptable, acknowledging that fashion trends are continuously evolving.

Expectations and sanctions

Uniform is fundamental in establishing a safe and nurturing school environment, where students learn the importance of adherence to rules and expectations. We expect all students and their parents to comply with our uniform policy consistently. Observing these rules fosters discipline, which is essential for hard work and achieving success in examinations. Students who meet our expectations tend to excel, and we anticipate parental support in this endeavour, aiming for the best outcomes for their children.

Non-compliance with the uniform policy detracts from the learning environment and undermines the school's ethos. Should a student fail to adhere to the uniform rules, the following actions will be taken:

1. Parents will be notified immediately.
2. The student may be placed in isolation until the issue is resolved.
3. If necessary, the student may be sent home to correct the uniform issue and is expected to return to school promptly. Failure to return in a timely manner will be marked as unauthorised absence and may result in a fine.
4. Repeated failures to comply may lead to suspension for defiance of school authority.

By maintaining these standards, we can ensure that all students can focus on their academic achievements.
